Qualifications

TaMiya leads Grant Thornton's West Region Advisory practice. Her span of responsibility and influence crosses seven states, a dozen offices and all advisory services.

Experience

Throughout her 18 years in advisory services, TaMiya led multiple initiatives across service lines and industries. She is a certified public accountant who started her career in risk advisory services overseeing corporate governance consulting projects. In subsequent years, she delivered accounting, business process and technology services to publicly traded and regulated companies. Today, TaMiya specializes in business transformation with a passion for technology and change management.

Sector experience

TaMiya is highly familiar with complex infrastructure and organization designs. As it pertains to technology security consulting, TaMiya's expertise also includes audit and compliance services; systems selection and configuration across the life cycle; and data security standards reviews. Where international and global businesses expertise is warranted, her professional client service experience extends to Europe and Asia.

Professional qualifications and memberships

TaMiya earned a Master of Accounting degree and a Bachelor in Business Administration degree from the University of Southern California. She is a Certified Public Accountant licensed in California and a member of the AICPA.

Community involvement

For the past five years, TaMiya has been the West Region Executive Sponsor for the African American Business Resource Group (inclusion initiative). She is a leader, through formal mentor programs on campus, at the University of Southern California for both the Marshall Business School and the Black Alumni Association.

As a community leader, TaMiya is on the Board of Managers for the Ketchum Downtown Los Angeles YMCA. Outside of the office, TaMiya spends her time with her son, husband and their dog Rison. You may see her snowboarding during the winter and she has recently taken up golf as a hobby.
