You put yourself on the line each and every day, and we join the millions in expressing gratitude for your bravery and efforts.

That's why we're proud of our decades-long commitment to supporting public safety agencies with the nation's largest and most reliable 4G LTE network, with unparalleled redundancy and backup systems you can count on.

We put first responders first.

Here are three key ways we make sure you stay connected:

Reputable communications are key. We continue to invest to make sure your communications work when you need them.

$126B We've also invested more than $126 billion in network infrastructure since 2000 and invest billions more each year to expand and improve our network.

Ranked #1 We've ranked #1 overall network in the U.S. ten times in a row and undefeated in overall reliability, speed, data, call and text according to national rankings.

A network advantage you can measure

You're ready, and so are we.

$75M Verizon donated $75 million to disaster recovery and community relief efforts throughout the U.S., including Puerto Rico, with $16.1 million supporting recovery efforts from Hurricanes Harvey, Maria and Irma, the California wildfires and other disasters.

We're here for the long haul.
